

# Barton Series Linear High Bay

Energy-Efficient Lighting with Frosted Optical PC Cover for Uniform Luminance

## Features

- Heavy Duty Extruded Aluminum 6063 Housing with Outstanding Heat Dissipation Performance
- Extremely Energy Efficient—Up to Real 150 lm/w
- IP65 and IK10 Protection for Industrial Environments

## Options

- 1-10V Dimmable and DALI Driver
- Microwave Motion Sensor
- Emergency Power Supply
- Zigbee Control

## Certificates

- American Market: UL, DLC Premium, cUL
