

Johnson Series Vapor-tight Fixture

Tri-proof LED light that's protected from water, humidity and dust particles

With PC material housing and diffuser, the Johnson Series provides uniform light distribution and water-proof protection that's ideal for industrial applications.

Features

- Linkable installation—link multiple fixtures with one power source
- High energy-efficiency—up to 130 lm/w
- Easy installation to save labor cost
- Both stand-alone and continuous mounting are available—the process of continuous installation saves installation time
- IP65 for both indoor and outdoor use
- 5-Year Warranty

Options

- CRI90 available upon request

Areas of Application

- Corridors and hallways
- Canopies
- Storage areas and stairways
- Parking lots
- Food industry facilities
- Gas stations, car washes and auto-body operations
- Any location subject to harsh, wet, or otherwise challenging conditions

Certifications

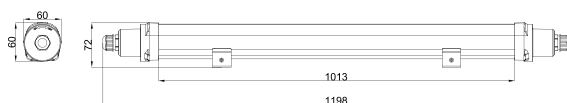

CE RoHS

Specifications

Model	Nominal Wattages (W)	Nominal Voltage	Rated Luminous Efficacy (lm/w)	Nominal Luminous Flux (Lumen)	Beam Angle	LED Quantity	CRI
